- Obtaining High Use Field Permits (NR 113.09 (2))

There will be time during the session for questions and interaction with other attendees.

Continuing Education Credits

This program has been approved for three (3) hours of Septage Compliance Credit. Operators will be asked to digitally “sign” in and out of the program and to respond periodically to instructor questions using a “chat” feature in the webinar program. (Instructions will be provided during the program.) No partial credits. Credits will be submitted to the WDNR no later than Friday, April 12, 2024.

About the Instructors

Your instructors are John Bowen, Alan Kaddatz, Lance Petrusek, and Rick Walter. Each is a business owner in the septage industry and a member of the WLWCA Board of Directors. Each is a licensed, experienced pumper and a seasoned presenter – both virtually and in-person – of industry-related, practical knowledge related to this topic and the industry.

Great value! Just \$59.00 for WLWCA members and \$89.00 for non-members.

After registering, you will be sent the link and password to enter the Zoom meeting room.

Space is limited so be sure to register today!
Registration closes Monday, April 1 at 12:00 p.m.
